

Leading
Locally
**Expanding
Globally**

Company overview

MESCO was established in **1983** as a family owned partnership serving the Egyptian shipping market.

-
the company ownership was changed to a Joint-stock company in 2016 focusing on Integrated service offering & complete logistics solutions.

Vision

We aspire to be the customer's first choice by inspiring our people to deliver end to end logistics services

Mission

MESCO's mission is to build strong partnerships with our customers by delivering reliable integrated logistics services. Through the dedication and expertise of our empowered team, we are committed to adapt to our customers' needs and exceeding their expectations.

We continuously invest in advanced technology and strive for improvement to provide timely and valuable information, fostering trust and transparency. By driving efficiency and productivity through innovation, we create sustainable value for our customers, shareholders, and partners.
